

“Bake It” supplemental form

This supplemental form is designed to allow the TBCM Manager and Vending Committee to evaluate your products. **“Bake it”** products are: A product which is produced by the vendor from ingredients, in whole or in part, which are grown or bought and which when combined together and baked results in a processed food.

Please describe the product(s) that fit into the Bake It category and that you intend to vend at the TBCM. Include information on what products you use, how you bake it, what makes it unique, why customers of the TBCM will want the product, origin of the ingredients, etc.
