

Membership Application Form

Note: On October 24, 2017, the TBCM Membership passed new By-Laws. Under these By-Laws, all current/past memberships expire on December 31, 2017, and anyone interested in the TBCM must reapply for annual membership.

1. Annual membership is \$100, is non-refundable, non-transferable, and expires each year on December 31.
2. Decisions around membership acceptance are made by the Board and governed by the policy: *TBCM – 1. Membership – Membership Policy*.
3. Anyone who wishes to vend at the Market must first be a member of the Market. One membership per booth is a minimum requirement. However, membership approval does not equate to vendor approval. For an understanding of vending, please see policy: *TBCM – 2. Vending – Vending Rules*.
4. All new approved members will receive an information pack about membership rights and expectations within 4 weeks of Board approval.
5. As membership applications must be reviewed and approved by the Board of Directors, applications for membership may take up to 8 weeks to be approved.
