

We Make It, Bake It, Grow It

Tuesday, December 1, 2020

Dear Valued Customer,

The Thunder Bay Country Market (TBCM) Board of Directors has approved emergency measures for dealing with the COVID-19 pandemic. These measures are being implemented based on advice from the Public Health Unit as well as legal advice. In implementing these measures, the TBCM Board is making best efforts to ensure that the Thunder Bay Country Market will be doing everything possible to keep our community, our vendors and the public safe. **Effective immediately**, the following rule will be in place during all Thunder Bay Country Market operational hours:

All customers entering the Thunder Bay Country Market must wear a non-medical mask or appropriate face covering over the nose and mouth at all times when inside the Market. This rule will include all Vendors, employees of Vendors, TBCM Staff, volunteers and customers *without exception*.

Any questions or concerns can be directed to our on-site Market Manager.

We appreciate your cooperation and understanding as we all do our best to keep ourselves, our families and our community safe during these difficult times.
