

Retail Application 2021

You **must** review the Retail Policy for full details and guidance on this form.
There are 2 separate sections on this form – Accessory and Retail.

Vendor: _____

Accessory Category

Not applying for Accessory _____

From Retail Policy definition of Accessory:

1.a. Accessory – An item that is not made locally, does not duplicate a local product already at Market, is a direct and natural fit within the booth, is complementary to the booth’s product line and is sold in conjunction with their products.
Example: a local milk vendor selling bottle brushes for cleaning out their milk bottles.

First Accessory item you wish to retail	
Briefly outline how it is “a direct and natural fit within (your) booth, [and] is complementary to the booth’s product line”	
Second Accessory item you wish to retail	
Briefly outline how it is “a direct and natural fit within (your) booth, [and] is complementary to the booth’s product line”	

Retail Category

Not applying for Retail _____

From Retail Policy definition of Retail:

1.b. Retail – Item(s) that are from Ontario. Items from outside of the province would only be considered if strong case was made. Items from outside Canada would not be considered. Retail items must be complementary to the booth’s product line. Example: A local farm selling Ontario product that is not currently available / in season in Thunder Bay to supplement local produce.

First Item that you wish to retail:	
Business name & city/prov you are sourcing it from	
Please indicate where the product is from and how it is “complimentary to (the) booth’s product line”	
Second Item that you wish to retail:	
Business name & city/prov you are sourcing it from	
Please indicate where the product is from and how it is “complimentary to (the) booth’s product line”	

Acknowledgements

- I have read & understand the TBCM Policy - Vending - Retail Policy.
- I have attached the \$100 application fee (inc HST), which will be returned if your application is denied.
- I understand that my booth is responsible for the insurance that covers these items, as the Market will bear no responsibility for ensuring the product's quality and will not check that the product is covered under your commercial insurance.
