

Additional Items Application 2021

Vendor:	
----------------	--

Please complete the relevant sections for the item(s) you wish to **add**. Do not list your current approved items.

Make It – Arts, Crafts or Services	
Definition: An art, craft or service produced by the vendor of original medium or design	
Products you wish to sell in this category. <i>You do not need to list each item, but group like items – for example, list “children’s books” not each individual title.</i>	

Bake It and Make It – Food	
Definition: Product which is produced by the vendor from ingredients, in whole or in part, which are grown or bought and which combined together results in processed food.	
Products you wish to sell in this category. <i>You do not need to list each item, but group like items – for example, list Jam and Jellies, not “strawberry jam” and “cherry jelly”</i>	

Grow It	
Definition: Product(s), raw in nature, requiring very little alteration to eat. The products will be garden, greenhouse or cool room grown, or foraged; resulting in either edible or non-edible products. Meat will include farmed animals or will fall under approved an approved commercial license (i.e. fisheries), processed according to relevant provincial / federal licensing.	
Products you wish to sell in this category. <i>You do not need to list each item, but group like items – for example, pork in variety of cuts – not pork chops and pork roasts, etc.</i>	

For all above items:

Are the additional products you are requesting made locally by yourself / your business?

Yes _____ No _____

If no, this will be a **Retail application** instead.

You may not sell the additional items you are requesting until you receive written approval.

Submitted Date: _____
